

RISC's policy on drug regulation

With reference to office order no. SO(A-I)2-2/2017(P-I) issued by School Education Department, Government of Punjab and **as per official policy:**

- i) Each campus head/ principal is to ensure that school premises including the cafeteria will be regularly monitored and it may be ensured that no consumption of any contraband/ drugs is carried out inside school premises.
- ii) Campus Management is to regularly hold meetings and propagate the importance of a drug free culture and ensure that students are mentored accordingly.
- iii) Head Office teams are to visit campuses to monitor that all SOPs issued regarding non-consumption of any contraband/ drugs within any school premises are being complied with in letter & spirit.
- iv) With Head Office's assistance, campuses are to arrange for special lectures regarding potential hazards of drug consumption by engaging experts / specialists in collaboration with the health department.

There shall be a zero-tolerance policy against drug usage in all RISC/MIUC campuses. Strict action will be taken against any delinquency/ non-compliance and those responsible will be dealt with in accordance with law.
